As Dan will be gone much of the month of February it was decided to move the February meeting to the 1st Monday, February 3, 2014.

Dan reviewed the fire agreement proposal that was presented to Welcome. This agreement is based on the discussion between the townships and Welcome at Edmons office. It includes the agreements reached at that meeting. **Brian moved, seconded by David, to approve the agreement as proposed. Motion carried.** Brian appointed Dan to continue to serve as the Rolling Green Township representative for the Welcome Fire Agreement.

Township elections take place the second Tuesday in March. Dan and David are up for election. The timing will be the same as last year, with polls open from 5-8 PM, the Board of Canvass to immediately follow, with the annual town meeting after that at 8:05 PM.

The United Township fire meeting will be Tuesday January 21, 2014 at the fire hall in Fairmont. Brian had a conversation with Randy Musser. It appears Fairmont is trying to slow down their repayment to the Townships for the last fire truck purchase. The fire department is also hanging on to the fire truck that was replaced (Unit #1) to pull trailers, etc.

Todd hit a tree stump while moving snow on Pierce Lake Road near the south end of the lake. The wing needed repair and a tire was knocked off the rim.

Further discussion was held about cleaning up the R/W past the south end of the lake. Streimers wish to keep fences along that stretch as they feel they are a deterrent to hunters trespassing. The township may offer help with the labor if Streimers are willing to provide the materials.
