

Rolling Green Town Board Minutes

October 13, 2014

Members present – Dan, Brian, David, Daniel, Todd.

Beginning Balance - \$85,127.47 - Checking \$2893.74, Savings \$80,233.73, FFMR \$2000.00

Deposit this month – \$85.31

Paid this month - \$4000.13

Ending Balance - \$81,212.65 - Checking (\$1106.39), Savings \$80,319.04, FFMR \$2000.00

Ivan stopped in and showed the new web site (<http://www.rollinggreentownship.com>). It looks good.

Ziegler account shows a credit of \$485.39. It was decided to leave this as there will undoubtedly be a bill in the near future. The seals on the grader still need to be replaced.

FEMA has collected needed information. The project cost established by them is \$8879.50. Not sure if this is what we will receive or if it will be closer to \$1500.

LBAE – If we want to handle this at the township level a form needs sending in, or we can leave it Open Book with the county handling it. It was decided to try and keep it at the township level.

2 estimates were received from Wannarka Excavating. To replace the culvert under Pat Murphy's driveway is estimated at \$775.00, plus the cost of the culvert from the county. To replace the box culvert with a culvert from the county on Pierce Lake Road is estimated at \$3908.00. Brian was given to go ahead to complete both projects this fall.

Election are November 4 from 10 AM to 8 PM.

Todd made a deposit of \$2716.00 today

Krahmer's lowered the culvert under 130th Street for the private ditch near 150th Ave. They put in a larger plastic culvert as they couldn't obtain a metal one of the right size and length. Installation was checked by the county. This was done at Krahmer's expense.

Dan Bebernes, Clerk

Brian Wannarka, Chair
