

# Rolling Green Town Board Minutes

## October 10, 2016

Members present – Dan, Brian, Daniel, David, Todd.

Beginning Balance - \$77,503.30 Checking \$1722.21 - Savings \$75,781.09

Deposit this month – \$211.25 - Interest

Paid this month - \$8282.28

Ending Balance - \$69,432.27 Checking \$2439.93 - Savings \$66,992.34  
Other Asset accounts - \$47,000 - FFMR \$7,000.00, Grader CD \$40,000

Don't forget elections coming up in November. Polls are open from 10:00 AM until 8:00 PM. We need at least 3 election judges there at all times.

Kevin Peyman sent out a letter for the townships to certify their road mileage for the year. There are no changes in miles.

NuWay Co-op needs to land spread dirt removed from the old fertilizer plant in Welcome. All agreements are in place to apply it to land owned/operated by Paul Hein. Application will be done this fall.

A new joint powers agreement will replace the current township agreement for the United Township Co-op Fire Agreement with Fairmont. Once all the township have approved the new agreement, the board will meet and appoint a committee to continue the discussion with Fairmont and see if an agreement can be reached. Fairmont may also have some changes in their council, depending on the outcome of the elections. Dan was selected as the delegate for the new organization, Brian is the alternate.

An inventory of the culverts, and their condition, under the township roads should be done. A replacement schedule should be set up so we don't get to far behind on expenses. We are still waiting on bills from the county for the ones they replaced on 142<sup>nd</sup> Ave north of 105<sup>th</sup> Street and the one on 100<sup>th</sup> Street east of 180<sup>th</sup> Ave. These should be about \$10,000 each.

The tree stumps left after Kimmet removed the trees along Pierce Lake Road need to be ground down to ground level so they are not a hazard, especially for the wing when moving snow this winter. Additional trees need to be cut and disposed of. Trees needing to be cut should be marked and a cost estimate gotten.
