The culvert on Pierce Lake Road just south of 90th Street needs to be replaced. A culvert still needs to be installed just south of Steve Shane's place. Brian has both these on his schedule.

The county Township Association annual meeting is scheduled for Thursday, April 14 at the Welcome Legion. Supper will be served at 6:30 with the meeting at 7:00 PM

Bids were received from Cohr's and Bettin's for township road gravel. The bid from Cohr's was accepted. The same driver as last year should begin deliveries within a week.

There is a rock in the road near Darrell Wannarka's that needs to be removed.

Water flows on the road by Kimmet's driveway. Is the culvert bad? Kimmet would be responsible for the culvert under his private drive.

A permit will be mailed to Doug & Kathy Wedel for a driveway at their new hog site.
