Other Asset accounts - \$24,000 - FFMR \$4,000.00, Grader CD \$20,000

The United Township Fire Association committee is working on setting up a joint powers agreement for the Association.

Cohrs is done hauling gravel on the roads north of old 16. They have started on the road by Rode's.

There are now some options for the insurance coverage from MATIT. We will leave our coverage's as they are.

David checked with his farm liability insurance agent. His insurance will cover him for mowing ditches.

A permit for a driveway was received from Wedel's for their new hog barn site.

A short discussion was held at the County Township Association meeting about the townships working together regarding fire protection equipment on a county wide basis. There doesn't appear to be much interest. The by-laws of the organization were updated. Nothing else was much different than past meetings.

Gravel has washed off the road and into the ditch by Mike Kimmets driveway. He was wondering if we wish to clean it out. Brian will follow up on this.

3 culvert need to be replaced/installed, one on 80<sup>th</sup> street near Rosenberg's home farm, two on Pierce Lake Road.

The stumps along Pierce Lake Road need to be ground down to ground level before snow falls.
